Back-to-School Checklist: Tax-Free Shopping and Kid Safety Review

Parents who have already circled the first day of school on the calendar should also take note of another date: the back-to-school sales tax holiday. From August 10-12, parents can stock up on everything their children need without paying sales taxes, including clothing, shoes, school supplies, and backpacks—even when purchasing items online. While filling up their virtual shopping carts, parents can also review our [back-to-school safety tips](#) to help keep their kids safe in the upcoming school year.

Understanding Civil and Criminal Cases After a DWI Accident

It may seem like justice when a drunk driver is convicted of driving while impaired (DWI) after causing an accident, but injury victims may be surprised to discover that they will not be awarded compensation in a criminal case. There is a big [difference between a criminal and civil DWI case](#), and victims must know how to file a separate claim to get payment for their injuries and financial losses.

Texas Leads the Nation in Drunk Driving Deaths

A recent study has revealed that Texas has the highest number of [deaths caused by drunk driving](#) than any other state. Data from the National Highway Traffic Safety Administration (NHTSA) confirmed that the Lone Star State led the nation in alcohol-related vehicle fatalities in 2015, placing Texans at overwhelming risk of wrongful death caused by drunk driving.

Another Lawsuit Filed Against Makers of the Attune Knee Replacement

The number of [Attune knee replacement lawsuits](#) continues to grow, with another defective product claim filed against DePuy in Florida last May. According to court documents, the patient suffered severe pain and discomfort and was forced to undergo revision surgery to remove the Attune Knee device he received in March 2014.
